

again

I am not doing  
the paper work for  
a divorce. If anyone  
is saying so I don't  
know why.

The matter at hand  
is the "continuation  
of the motion" so  
that time is allowed  
for legal aid to  
issue its certificate.

At that time, all  
site mediation can  
speak to us. Until  
then, nothing can

happen.

Child had a good  
time with you.  
I'm happy for that.

I have talked with  
a counselor & will  
be on a official  
schedule within  
2 weeks.

I have not received  
the papers from you.  
that the court said  
you served me with.
